OBJECTIVE

I am a reliable, hardworking, and enthusiastic individual with a strong passion for IT. Having completed secondary school and an IT diploma program, I have built a solid foundation to pursue a career as a software developer. My experience as a Software Engineer at ACE Data Systems has equipped me with essential skills in problem-solving, critical thinking, and a strong understanding of enterprise-level systems. I am eager to expand my knowledge and am committed to growing as a professional developer.

EDUCATION

Matriculations Examination (equivalent to GCE 'O' level)

Jun 2004 - Mar 2020

Sar Pann Aein Private High School, Pyin Oo Lwin, Myanmar
